Hours Requirements (JSSF):		Hours Requirements (JEA):		Substitutes: 25%				
90% = 1302 and over		90% = 2/3rds time or more						
50% = 1044-1301		Proration = less than 2/3rds time						
25% = less than 1044								

NOTE: 2016 lowest cost qualified plan in Jefferson County is Unity-Community. Unity-UW Health and WEA Trust - South Central are available, but not considered qualified plans in the county to be factored into the lowest cost plan as their service area is Dane County except for providers located in Black Earth and Cambridge (for Unity-UW Health). They are included on this list as they are lower cost options available in Dane County. Please reference 2016 Decision Guide to see all available plans.
