

BOARD CONFERENCES, CONVENTIONS AND WORKSHOPS

In recognition of the need for continuing in-service training and development for its members, the Board encourages its membership to participate in meetings and activities of area, state and national school board associations, as well as in the activities of other educational groups.

Board members are encouraged to attend the annual Wisconsin Association of School Boards/Wisconsin Association of School District Administrators/Wisconsin Association of Business Officials State Education Convention in January. All members are eligible to attend.

Board members are also encouraged to attend the National School Board Association (NSBA) convention, which is held annually. All members are eligible to attend this national convention with exception of third-year Board members who are running for re-election and have an opponent. Board members who have decided not to seek re-election are not eligible to attend the NSBA or other national conventions.

A Board member may choose to attend a different out-of-state conference in lieu of the NSBA convention.

The district shall cover the cost of registration, hotel and transportation expenses, including airfare, and meals per Board Policy DLC.
