

Privacy in Locker Rooms

Locker rooms are provided for the use of physical education students, athletes, and other activity groups or individuals authorized by the building principal or Board policy. The District recognizes the privacy rights of individuals using the locker room and shall take reasonable measures to protect an individual's privacy.

Under no circumstances may cameras, video recorders, or other recording devices be used in the locker room. Also, no person may use a cell phone to capture, record, or transfer a representation of a nude or partially nude person in the locker room or to take any other photo or video image of a person in the locker room.

Individuals may enter or remain in the locker room to interview or seek information from an individual in the locker room only under the following conditions:

- (1) At no time will students be interviewed in the locker room.
- (2) Media representatives or other individuals (e.g., college scouts) may interview a coach in the locker room only if no students are present in the locker room at the time.
- (3) An individual may interview or seek information from an adult using the locker room only with the permission of that individual.

Persons violating this policy shall be subject to appropriate disciplinary action in accordance with District procedures and/or penalties under state law or local ordinance.

This policy shall be posted in every locker room in the District. Policy enforcement shall be the responsibility of the building principal or his/her designee including coaches and other district staff.
