STUDENT NUTRITION PROGRAM MANAGEMENT

The student nutrition program is an integral part of the total education program, and as such shall be governed by the same principles and type of control as any other division of the district.

The Director of Business Services shall be responsible for the management of the student nutrition program, including the purchase of food and materials. The Director of Business Services may delegate specific duties in relation to the student nutrition program to the Student Nutrition Director.

The district shall provide meals through participation in the National School Lunch and Breakfast Programs. The Director of Business Services shall enter into an agreement with the Department of Public Instruction (DPI) and the federal government for participation in such child nutrition programs.

As required for participation in the National School Lunch and Breakfast Programs, the district agrees to the following:

1. That a school meal meeting federal regulations be made available for all students.

2. That free and reduced price meals be offered to eligible students who apply and who meet the federal income guideline.

The district may also participate in the Food Distribution Program, Elderly Lunch Program, Wisconsin School Day Milk Program, After School Snack Program and Summer Feeding Program.

Student nutrition programs shall be reviewed annually.

The School District of Jefferson shall not discriminate in school-sponsored student nutrition programs on the basis of sex, race, religion, national origin, ancestry, creed, pregnancy, marital or parental status, sexual orientation, or physical, mental, emotional, or learning disability. Discrimination complaints shall be processed in accordance with established procedures.
