

SPONSORSHIPS

The Board of Education accepts and approves sponsorships that benefit the District, its schools, employees, or students by the District accepting money, goods, and/or services in exchange for the District acknowledging the sponsor's contribution.

The Board recognizes that it would be financially beneficial to allow the sponsorship of the District, its schools, school programs, extra-curricular activities, and other school activities, events, publications, TV channel, newsletter, news releases, etc., in exchange for the District's acknowledgement of such sponsor's contribution. However, all sponsorships shall meet the criteria set forth in this policy and the School District of Jefferson Sponsorship Guide, and shall not be contrary to the District's mission, in direct conflict with Board Policy, or undermine the District's educational objectives. No sponsorship shall be construed as or constitute an endorsement by the District, Board, or school of the sponsor or its product, service or program, etc., and the Board and the schools reserve the right to refuse or decline the offer of any sponsor for any reason.

Sponsorship is defined as a person, company, business, corporation or other entity providing money to support the District, its school, school activities, etc., in return for the sponsor receiving an acknowledgement by the District or school indicating that money, services, and/or goods were donated by the sponsor or the activity was sponsored by or sponsored in part by the sponsor.

Acknowledgement is defined as the recognition of the support provided to the District or a school by the sponsor. An example of the Acknowledgement of a Sponsorship is the placement of a sponsor's logo or the sponsor's name, address, website, Internet address on the District's website, a yearbook, newsletter, program of an event, etc. Acknowledgement does not include endorsement, price information, or an indication of savings or value and/or quality of the sponsor's product or services, such as the sponsor has the lowest prices, makes the greatest product, or that the sponsor is having a sale. No sponsorship, regardless of its monetary value, may be considered for approval without an Agreement between the sponsor and the District regarding the form, number and/or duration of the acknowledgement(s) to be provided. Such Agreement may be, for example, to print an acknowledgement of the sponsorship on the printed program for each home football game during the current school year, or to display the sponsor's name on the scoreboards in the football stadium at the high school for an agreed upon period of time. An Agreement with a term of more than one year shall also indicate whether the Agreement will extend to the sponsor's successors, heirs, administrators, and assigns.

PUBLIC RECORDS

Please note that all documents, e-mail correspondence, etc. related to any sponsorship proposal or agreement are public records and available to anyone that may inquire under the State of Wisconsin Open Records Law.

PROCESS

1. The applicant shall complete the application form and submit it to the Director of Business Services. A copy of the advertisement, logo, or sample marketing materials must be submitted along with the application by either June 1 or December 1 to be considered. The Director of Business Services shall note on the application the date and time received.

The funds with the applicant's selected package will be designated as "Reserved" unless mutually agreed upon by both parties.

- a. Reserved: Applicant desires that the funds from the sponsorship be used only for the program or facility associated with the sponsorship (i.e., Funds from a sponsorship on a softball scoreboard would be used to benefit the softball facility and scoreboard maintenance).
 - b. Unreserved: Applicant has no desire to designate how the funds from the sponsorship be used. These funds would then be distributed for projects or programs throughout the district via an application process from the site or program that desires to use the funds (i.e., West Elementary School would like new playground equipment and, therefore, submits a letter of request to the Director of Business Services for use of unreserved funds).
2. The applicant shall meet with the Director of Business Services and other pertinent District staff prior to the Sponsorship Advisory Committee meeting to gain a better understanding of the sponsor’s proposal and intentions prior to presentation to the Committee.
 3. The Advisory Committee will meet as needed when applications are received to approve or deny the application and attached materials. Agreements totaling more than \$20,000 will be forwarded to the Board of Education for approval upon the recommendation of the Advisory Committee. Should the Advisory Committee be unable to render a decision or there are unique considerations, the District Administrator shall be consulted for his/her opinion as to how the application shall be handled. Should multiple applicants select the same sponsorship, the Committee may consider the applications on a first come, first served basis if all other factors are equal.
 4. Once the application has been reviewed and accepted, the applicant will be contacted to execute the agreement, to pay all deposits or fees due, and to provide any other materials or information that may be needed by the District to implement the sponsorship.
 5. Once the agreement has been executed and all fees have been received, the District will begin the process of implementing the agreed-upon sponsorship.

DEFINITION OF TERMS

DONATIONS

See Grants and Gifts below.

FUNDRAISING – PARENTS/GUARDIANS

There is no specific School Board policy about parent operated fundraisers. If parents, an outside group, or organization is planning to do a fundraiser specifically to help a school, the fundraiser must be approved by school administration in advance of the activity.

FUNDRAISING - STUDENTS (Board Policy IGDF)

Student fundraisers are specific to fundraisers endorsed by the school through a school club or organization. The monies collected and profits are for a specific club or organization.

GRANTS AND GIFTS FROM PRIVATE SOURCES (Board Policy DFC)

It must be understood that the School Board has the right to accept or deny a gift or a grant. It also must be understood that when a gift or grant is accepted, it is accepted to the school district and not to a specific school, club, class, or activity. The donor (whether it be through a donation or a gift) may be recognized by the School Board if a donation form is filled out. The donor (whether it is through a donation, gift, or grant) does not benefit through advertisement at school or at a school-related event.

NAMING RIGHTS

Naming rights implies permanency. For example, Fischer Field Baseball Complex has the “Fischer” name as a permanent name. A sponsorship is different from naming rights.

SPONSORSHIPS (Board Policy KFD)

Refer to board policy. A sponsorship offers an opportunity for the sponsor to receive recognition through advertising. The sponsor is not required to advertise. A sponsorship is limited with a time frame. In other words, it has a sunset to the agreement.

STUDENT BODY ACTIVITY ACCOUNT MANAGEMENT (Board Policy DIBB)

Monies raised by student fundraisers and/or monies deposited into a student activity account is governed through this particular board policy. Student activity accounts are specific to clubs, organizations, or specific sports teams.
