

FREE AND REDUCED PRICE MEALS

The Student Nutrition Director shall be responsible for determining the eligibility of students in qualifying for free and reduced price meals. Eligibility shall be determined through review of paper application or direct certification and shall be determined using federal regulations specific to income, other benefit eligibility and household parameters under the guidance of the Wisconsin Department of Public Instruction. Anyone not satisfied with the Student Nutrition Director's determination may appeal to the Director of Business Services.

Every effort shall be made to avoid overt identification of students receiving free or reduced price meals. District personnel shall make every effort necessary to keep confidential the names of students receiving free and reduced meals.

The Student Nutrition Director shall maintain a system of collecting payments from paying students and accounting for free and reduced price meals in accordance with federal program regulations as determined by the Wisconsin Department of Public Instruction.
