## Student Information Updates

Addresses and phone numbers can change over the course of a school year. If you have a change to your family's contact information please let our office know at 675-1205. This includes emergency contact information. We are always looking out for the best interests of our kids and this information being accurate and updated is very important.

## Toys Are Not Us

After the holiday season many students are tempted to bring new toys to school. Because these toys can be misplaced or cause other issues at school, we ask that students leave them at home. Please review these expectations with your children. Your support is greatly appreciated!

*You can follow school information on twitter at: @westwildcatswi*

## Scrip Orders

**This is our second and final order of our fall fundraiser!!**

Buy a gift card for a store through West Elementary and the school gets money back from the Scrip program.

Orders will be placed on **December 2**. Gift cards will arrive on **December 16**.

Cards are available to be picked up at school the following week. This can take care of some of your holiday shopping!

## Wintertime Preparations

Here are a few quick reminders as we enter the winter season:

\*Please send your child with outer wear for the cold days. We go outside until the wind chill temperature goes below zero.

\*All students are expected to go outside for recess. If your child is too ill for recess, they are most likely too ill for school.

\*We strive for outstanding attendance at West, but there are times when it is appropriate to keep students home from school.

**The staff at West Elementary wishes you a safe and enjoyable holiday season!**
